If you are not certified to market the ACA Qualified Health Plans, but prospects are asking you for assistance with choosing a plan, we can help.

Return this form to us and The Brokerage will pay you a referral fee. We have in-house, ACA certified brokers that will work with your prospects to design a Qualified Health Plan that fits their needs.

Once the policy has been issued with either BCBSTX, Oscar Health or Scott & White Health Plans and the policy has been active with premiums paid for 90 days, The Brokerage will pay you a referral of:

One person on the app = \$25	Two people on the app = \$50	Three people on the app = \$75	Four or more people on the app = \$100
